# Giving Statement & Corporate Sponsorship

*Thank you for your support*

**Kids' Chance of Delaware** is a 501(c)(3) non-profit organization and member of Kids' Chance of America, a national non-profit that was created for the purpose of supporting and providing educational opportunities and scholarships for the children of workers who were fatally or catastrophically injured on the job. Through fundraising efforts, Kids' Chance of Delaware provides financial support for Delaware children facing the hardships a work injury causes in order to pursue their educational dreams.

**When a worker is injured on the job, it doesn't just affect them. It impacts the entire family. We support the kids.**

# Meet Our Leaders

Kids' Chance of Delaware is a community of people who are dedicated to removing barriers to students' dreams. Workplace accidents happen more frequently than most realize and leave families in financial hardship. Often, these affected employees are parents of young children with goals and aspirations of their own. At KCDE, we are honored to be part of an incredible organization that helps local students and families alleviate financial burdens during crucial years of their education creating a positive impact on the lives of children in our own community.

# Past Contributions

Over the last decade, Kids' Chance of Delaware has grown exponentially, especially when compared to other Kids' Chance programs.

We owe much of our success to donors, sponsors and the many volunteers who passionately engage and support our mission to find every eligible kid in Delaware, creating hope for impacted families. With their support, in a few short years, we have raised over \$200,000 in scholarship funds. This year alone we have committed over \$70,000 in scholarship funds to qualifying students in pursuit of their vocational and educational careers.

With each student recipient eligible to receive up to \$10,000 per year towards their vocational and educational goals, our team of board members and volunteers work tirelessly to ensure we can meet our recipients educational and financial needs.

# Become a Partner

Partnerships with businesses and community organizations make it possible for Kids' Chance of Delaware to continue to fulfill its mission to provide scholarships to the children of Delaware workers who have been seriously or fatally injured on the job. By becoming a partner, your organization helps to ensure that we make the dream of higher education possible for deserving students regardless of familial circumstances.

All donations are tax deductible as charitable donations to the fullest extent permitted by IRS regulations. We affirm that no goods or services have been provided or received as a result of your donation.
